a Safe Stays® Initiative

In the “New Normal” starting from the way we greet you with a NAMASTE, both as a sign of deep respect as also for the increased safety of our guest, we have chosen this traditionally safe and respectful way to welcome you into our properties and to greet you at all points of interaction while maintaining a safe and secure distance.

All-encompassing safety protocol designed and covering all aspects looking at the recommendations of various Health authorities like WHO, ICMR, FSSAI, hygiene industry experts and housekeeping partners.

This will help in making your stay with us pleasant, consistently safe and secure.

- Deep Sanitization and Cleaning before each Check in
- Employees trained with all safety and health norms and updated with periodic refresher courses and regular temperature checks
- FSSAI (food safety and standards) registered properties
- Highly regulated F& B service - frequently sanitized Kitchen and restaurant for your safety
- Minimal Staff contact with personal protection kit including gloves and mask at all times
